### Glutathione Skin Brightener™ Cream

Keep Skin Looking Fresh, Glowy & Bright

Item 8062 | 2 fl. oz. | SRP: \$16.99

Glutathione Skin Brightener™ Cream is formulated with several clinically-tested ingredients including not only glutathione, but also Ceramosides<sup>®</sup> and Aquaxyl<sup>®</sup> to create a skin cream that not only helps brighten the skin's appearance and improve elasticity, but also provides intense moisture and hydration while reducing the appearance of skin pigmentation. This face cream is ideal for those with an uneven skin tone in need of brightening and firming along with nourishment, and is suitable for all skin types.

**Suggested Use:** After cleansing, apply to face, neck, and chest, paying close attention to any problem areas. For best results, use both morning and evening in conjunction with Glutathione Skin Brightener™ with Ceramosides<sup>®</sup> Capsules.

#### Featuring Clinical Ingredients:

- **Glutathione:** Possesses antioxidant properties and helps brighten complexion
- **Ceramosides<sup>®</sup>:** Provides a barrier to water loss, keeping skin looking moisturized and supple
- **Aquaxyl<sup>®</sup>:** Significantly moisturizes the skin within 8 hours and optimizes skin's water reserves
